

Friends and Family patient responses for Mr Edward Seel

“Fantastic surgeon, everything he explained to me happened exactly how he said it would and the aftercare, also how I would be feeling etc. I would also just like to say thank you, my pain has gone and I look forward to getting stronger with time and have a life again.”

“Very nice, and couldn't be happier with the outcome of my procedure”

“Felt very safe”

“Doctor excellent/surgeon superb”

“All the doctors that I've met took great care of me”

“Felt at ease throughout the entire process”

“Mr Seel is a very polite, caring and understanding gentleman. I'm so happy he was my surgeon on the day, he made me feel very calm and comfortable even though I was nervous!”

“Mr Seel was excellent throughout the entire pathway from referral to post op. Everything was explained thoroughly, and I felt cared for and safe. I could not fault the entire team.”

“The team were excellent, and I have nothing but praise for the care, clinical acumen and professionalism of the team”

“Mr Seel is a caring, thoughtful, kind person.”

“I am very happy with all that has been done for me in hospital. Not so happy having to wait for a physio appointment for so long after the removal of my neck support. I have had my appointment to see the surgeon to be signed twice changed from September to now October. This is not so good!”

“Having been a patient well known to orthopaedics and the pain team for ten years with this I feel the past 2-3 years of severe pain could have been avoided had this procedure been done when originally offered in 2016.”

“Extremely happy with support I received”

“My back issues have gone, only dropped foot remain”

“Excellent result.”

“Doctor Seel was Professional and clear about all aspects of my operation and has changed my life with the results”

“I already have recommended Edward Seel to a friend who requires spine treatment”

“Excellent Surgeon, would definitely recommend”

“I felt totally at ease and confident in his ability. He explained the risks and benefits and demonstrated a high level of professionalism. I am a doctor myself and would happily recommend him to patients too.”

Friends and Family patient responses for Mr Edward Seel

“Very happy with all treatment that I have received”

“Excellent from start to finish”

“I’ve now developed persistent vibration in my body radiating from my right foot making me feel nauseous it feels like I’m on boat on rough seas”

“He was extremely thorough and made sure I knew exactly what would happen.”

“My Consultant Edward Seel was absolutely amazing. He was kind, caring, knowledgeable and professional in his demeanour, helping me to understand my problems and treatment options. This made me feel I was in safe hands”

“I was very happy with the whole process”

“Welcoming and explains in detail”

“Very good throughout”

“He done very good job and communicate very.”

“Mr Seel was brilliant. Very helpful.”

“Absolutely no hesitation in recommending Mr Seel. The operation, quite literally, gave me my life back.”

“Full confidence in the surgeon’s ability”

“The procedure was well explained outlining risk chase and effect. And at no stage did I feel rushed or time was limited to explain the surgical steps”

“Knows his work extremely well.”

“Do exactly what I needed”

“Not at this moment”

“The surgeon explained the procedure fully”

“Mr Seel is very approachable. He explains everything in a very through way. He is always polite and very professional.”

“Very good surgeon”

“The operation I can feel the difference it's just either side of the op I think may be the problem. Disappointed the pain in my legs has gone down to painful rather than extreme pain generally. I was hoping it would gradually decrease.”

“Excellent surgeon. Very quick turn around and Excellent aftercare”

“My surgeon is brilliant”

Friends and Family patient responses for Mr Edward Seel

“I have always found my consultant and their team polite patient happy and helpful when answering whatever questions I ask”

“Edward has been informative, friendly, sympathetic and respectful - everything I'd hope for in a trusted advisor / medical professional / surgeon.”

“I am very happy with the outcome of my operation.”

“The entire team have been very helpful”

“All the information given to me by my surgeon, he did what said brilliantly”

“I am entirely satisfied with the outcome”

“Mr Seel explained everything fully to me prior to my op and again when he saw me post op as an inpatient. He is thorough and professional and very caring. I'm delighted that my surgery has gone so well. I already feel like I have my life back! Thank you so much.”

“So pleased without pain”

“They have all been very helpful kind and listened to what I say I'm really grateful for their help.”

“The care shown to me has been excellent”

“So far, I am free of any pain, and I hope that physiotherapy will help with my walking and balance.”

“very polite, makes you feel at ease and answers questions in plain English”

“I was treated with respect and taken seriously - I was seen very quickly and am very grateful”

“Dedicated & professional”

“Talked through options available prior to surgery & updated me in person twice during stay in hospital. Provided time to enable me to ask any questions I had post-surgery re concerns I had regarding recovery.”

“Mr Seel was very informative throughout the pre and post procedure”

“Pleasant and calm, made me feel at ease.”

“Fantastic service from Dr Seel would recommend him anytime”

“Mr Seel has been very understanding, particularly”

“Mr. Seel has cured my problem completely”

“Mr Seel is an amazing surgeon; he explains exactly what he recommends for treatment/surgery at every step of the way. He is very polite and has an excellent bedside manner.”

“The staff and everyone at the hospital were very attentive and caring”

“I feel safe in his hands”

Friends and Family patient responses

for Mr Edward Seel

“The operation on my back cured my leg pain but I still cannot walk without pain”

“I was lucky to get a very quick operation when sent over by the pain clinic. Good treatment after the back op”

“Need to manage expectations of recovery & pain after”

“Mr Seel made me comfortable on our very first meeting. I had complete confidence in him from that point forward”

“From diagnosis to post operative care and follow up the surgeon and his team were excellent”

“So happy at how much difference it has made to my life”

“Answers all questions you have and puts you at ease”

“He was straight to the point”

“Cannot speak highly enough of Mr Seel and team!”

“The whole team is very professional, helpful and trustworthy. I recommend and wish everyone to be a patient of Mr Seel. Thank you very much!”

“Very informative, and cured my problems, very neat scar”

“Brilliant surgeon who I trust completely.”

“Very professional and knowledgeable”

“Very professional and I believe I had the best surgeon for the job.”

“I felt that I could trust Mr E. Seel, my surgeon straight away”

“Mr Seel made me feel I was in good hands throughout”

“Dr Seel was just fantastic, i wouldn't hesitate in recommending him to anyone let alone family members.”

“My surgeon is very knowledgeable and approachable, and professional at all times. I was told exactly what was to happen and the attention and care was second to none. The hospital staff and care were fantastic, and I was treated with kindness and dignity at all times.”

“My results are excellent. I can walk again and without pain. The Mr Seel was easy to talk to, i.e., he talked to you not at you or about you. He gave you all the relevant facts and possible failures. Very reassuring.”

“We have so appreciated his care for my wellbeing”

“Yes”

“I have my life back+”

“The surgeon is very professional and clearly has immense skills in his field.”

“Not met him except when in theatre”

“Everything was explained to me very clearly I knew exactly what to expect”

“Very personable and gave me confidence”

Friends and Family patient responses

for Mr Edward Seel

“It has changed my life for the better, not perfect but he explained that at the beginning.”

“Any questions I asked were answered clearly and honestly. The consultant/surgeon made sure I was happy and understood what was going on/being done.”

“Mr Seel and Mr Shariati are great, but whoever I saw in February couldn't of been less helpful or disinterested and actually said to me....'It's not my job to resolve your back pain...' I was disgusted by their comment”

“I found Mr. Seel extremely professional and friendly and gave me great confidence in his ability.”

“Ed has been fantastic throughout this process. He is extremely personable and always takes the time to fully explain in as much detail (and on as many occasions) as may be required. His previous record and incredible expertise speaks for itself, but Ed always made me feel like he had time for me, no matter how busy he may have been. I felt in the safest hands I could have been throughout my surgery.”

“I am extremely happy with the care and treatment I have received from Mr Seel. My pain has reduced tremendously since my operation and as it has operation but being only 6 weeks post op I am confident I can return to 'normal' activities within a few months”

“Mr Seel gave me fantastic treatment and care.”

“Taking care about you after surgery”

“Absolutely amazing surgeon, very reassuring”

“So far, I am impressed with the whole of my treatment by my surgeon and his team and hope my recovery continues its present progress.”

“Very happy with all my treatment”

“Brilliant surgeon, he explained procedures and treatments very well and in simple terms. He was always available to answer questions and made my operation and follow up treatment almost worry free and easy. Would definitely recommend him to anyone - an all-round top surgeon with a brilliant team behind him too.”

“Mr Seel has literally changed my life. Cannot recommend him as a surgeon highly enough.”

“A great surgeon, the best so far from what I met”

“Excellent”

“Fantastic surgeon but face to face not a strong point but his surgeon skills make up for it”

“Mister Seel and his team were fantastic”

“Nice man good surgeon”

Friends and Family patient responses for Mr Edward Seel

“Please pass on my sincere thanks to the fantastic Mr Seel, the care I received, and treatment has been fantastic, I am still recovering, but the difference in the pain is immeasurable, I had a bilateral lumbar defenestration on 26th August 2020”

“Top Surgeon”

“Excellent communication.”

“Really pleased with my treatment. Operation was arranged quickly, and everything went very smoothly.”

“Very happy with surgeon”

“Care was fantastic, I felt very safe in Mr Seel's hands”

“Mr Seel gave me my life back after a previous senior NHS surgeon told me surgery would not work”

“Very thorough and relevant communication throughout the whole consultation process”

“I found Mr Seel to be straightforward and to the point which is refreshing when it comes to doctors to be totally frank. He informed me of everything I needed to know and was happy to answer any questions properly. He set my mind at ease and told me the truth and gave me realistic expectations.”
